

DOMAINE CLOS DES ROCHERS

PINOT BLANC WORMELDANGE NUSSBAUM

ORIGIN

Luxembourg
Wormeldange "Nussbaum"
100% Pinot Blanc

VINIFICATION

The grapes, harvested by hand, are selectively picked at the most favourable moment of their maturity. End of October, the harvest is generally over.

The grapes are collected in crates of 200 kg and are transported twice a day to the Domaine's pneumatic wine presses.

The must ferments in small stainless vats under temperature control. After ageing for a few months on fine lees, the wines are bottled in the spring following the harvest.

TASTING NOTES

Elegant grape variety with a remarkable finesse.
